CHANGES IN PLEDGE MASTER REPORT (DP37)

Depository Participants (DPs) / Clearing Members (CMs) are hereby informed that the DP37 - Pledge Master report will now be available with an additional feature that allows DPs to setup and download reports pertaining to Open Pledge Positions.

DPs / CMs should note that for setting up the Open Pledge Position report in the CDAS Report module, additional option is introduced as '**Active**' in the '**Status**' field for DPs. CMs through their easiest login will find this option under the '**Pledge Status**' field. Additionally, at least one report criterion is required to set up the report along with the Status as "Active".

DPs and CMs are hereby informed that any pledge details with a status other than '**Active**' will be excluded from the Open Pledge Position Report. Furthermore, instances of partial **Unpledge** or **Confiscation** related to a pledge will be included in the report until the pledge is active. DPs to note that there is no change in DP37 Report format.

DPs are advised to note that the said functionality is scheduled to release on May 23, 2025.
