Registered Debenture Trustee; and
Registered ESG Rating Providers

Madam/ Sir,

Subject: Framework for Environment, Social and Governance (ESG) Debt Securities (other than green debt securities)

- I. SEBI in its Board meeting held on September 30, 2024 had *inter-alia* approved, the proposal to specify the frameworks for issuance of social bonds, sustainability bonds and sustainability-linked bonds, which together with green debt securities, will be termed Environment, Social and Governance (ESG) Debt Securities. Pursuant to the inputs and feedback of *Industry Standards Forum (ISF)*¹, the following circular is issued.
- II. Regulation 2(1)(oa) of the SEBI (Issue and Listing of Non-Convertible Securities) Regulations 2021 ('SEBI NCS Regulations') defines ESG debt securities as under: *"Environment, Social and Governance Debt Securities or "ESG Debt Securities" means green debt securities, social bonds, sustainability bonds, sustainability-linked bonds, or any other type of bonds, by whatever name called, that are issued in accordance with such international frameworks as adapted or adjusted to suit Indian requirements that are specified by the Board from time to time, and any other securities as specified by the Board."*
- III. Further, in terms of Regulation 2(1)(q) of the SEBI NCS Regulations "Green debt security" means a debt security issued for raising funds subject to the conditions as may be specified by the Board from time to time, to be utilised for project(s) and/ or asset(s) falling under certain categories mentioned therein.
- IV. Regulation 12A of the SEBI NCS Regulations reads as under:
"Issuance of Environment, Social and Governance Debt Securities

¹ In line with its commitment to facilitate capital formation in the economy and ease of doing business, SEBI has set up various Industry Standards Forums including ISF for debt market, comprising of representatives from Industry Associations under the aegis of the Stock Exchanges. The ISF would formulate standards for implementation of specific regulations and circulars, based on feedback from industry and stakeholders, in consultation with SEBI.

12A. An issuer desirous of issuing and listing of Environment, Social and Governance Debt Securities shall comply with such conditions as may be specified by the Board.”

V. In view of the above, in order to facilitate Issuers to raise funds through issuance of ESG debt securities (other than green debt securities), the operational framework for ESG debt securities (other than green debt securities) i.e. social bonds, sustainability bonds and sustainability-linked bonds has been finalized in consultation with Industry Standard Forum. The said framework is given as under:

1. This circular shall be applicable to Environmental, Social and Governance (ESG) debt securities labelled as ‘social bonds’, ‘sustainability bonds’ and ‘sustainability-linked bonds’ which are listed or proposed to be listed on a recognized stock exchange.
2. The requirements under this chapter shall be in addition to the requirements specified in SEBI NCS Regulations and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (‘SEBI LODR Regulations’).
3. The debt securities shall be labelled as ‘social bonds’ or ‘sustainability bonds’ or ‘sustainability-linked bonds’ only if the funds raised through the issuance of such debt securities are proposed to be utilised for financing or refinancing projects and/or assets aligned with any of the following recognized standards or fall under the definitions given in the following paras:
 - (a) International Capital Market Association (ICMA) Principles / Guidelines;
 - (b) Climate Bonds Standard;
 - (c) ASEAN Standards;
 - (d) European Union Standards; and
 - (e) Any framework or methodology specified by any financial sector regulator in India.
4. For purposes of SEBI NCS Regulations and SEBI LODR Regulations, 2015 and this Circular, Social Bonds shall have the definition as under:

“Social Bonds” means a debt security issued for raising funds, subject to the conditions as may be specified by the Board from time to time, to be utilised for social project(s) that directly aim to address or mitigate a specific social issue and/or seek to achieve positive social outcomes especially but not exclusively for a target population, falling under any of the following categories:

 - a) Affordable basic infrastructure (e.g. clean drinking water, sewers, sanitation, transport, energy)*
 - b) Access to essential services (e.g. health, education and vocational training, healthcare,)*
 - c) Affordable housing*
 - d) Employment generation and programmes designed to prevent and/or alleviate unemployment stemming from socioeconomic crises, climate transition projects and/or other considerations for a “just transition” (such*

provision and/or promotion could include SME financing and microfinance)

- e) *Food security and sustainable food systems (e.g. physical, social, and economic access to safe, nutritious, and sufficient food that meets dietary needs and requirements; resilient agricultural practices; reduction of food loss and waste; and improved productivity of small-scale producers)*
 - f) *Socioeconomic advancement and empowerment (e.g. equitable access to and control over assets, services, resources, and opportunities; equitable participation and integration into the market and society, including reduction of income inequality)*
 - g) *any other category, as may be specified by the Board from time to time.*
5. For purposes of SEBI NCS Regulations and SEBI LODR Regulations, 2015 and this Circular, Sustainability bonds shall have the definition as under:
- ‘Sustainability bonds’ means a debt security issued for raising funds, subject to the conditions as may be specified by the Board from time to time, to be utilised for finance or re-finance of a combination of eligible green project(s) and social project(s) as specified under the definition of green bonds and social bonds respectively.*
6. For purposes of SEBI NCS Regulations and SEBI LODR Regulations, 2015 and this Circular, Sustainability-linked bonds shall have the definition as under:
- ‘Sustainability-linked bonds’ means a debt security which has its financial and/or structural characteristics linked to predefined sustainability objectives of the Issuer, subject to the condition that such objectives are measured through predefined Sustainability Key Performance Indicators (KPIs)² and assessed against predefined Sustainability Performance Targets (SPTs)³.*
7. Certain social projects may also have environmental co-benefits, and that certain green projects may have social co-benefits. The classification of a debt security as a green debt security, social bond or sustainability bond should be determined by the issuer based on its primary objectives for the underlying projects.
8. **Initial disclosure requirements, continuous post-listing obligations and appointment of independent third-party reviewer/ certifier for social bonds:**
- An issuer desirous of issuing social bonds shall make the disclosures specified in **part I of Annexure-A** in the offer document for public issues/ private

² KPI: Key Performance Indicators are quantifiable metrics used to measure the performance of selected indicators.

³ SPT: Sustainability Performance Targets are measurable improvements in key performance indicators on to which issuers commit with a predefined timeline. SPTs should be ambitious, material and where possible benchmarked and consistent with an issuer's overall sustainability/ESG strategies or sustainable development policies.
