Circular No: MCX/TECH/008/2026   January 07, 2026

Stream and Partition Change Due Product Movement Between Partition

Members may note that Exchange may move products from one partition to another partition to optimise system performance and manage data streams.

Members are advised to make the necessary arrangements at their end to incorporate such amendments on short notification by Exchange. Such product movement details will be reflected in the product master file (Mcxscrip.bcp)

Members having **GTD, GTC** orders will be cancelled for the respective products and the exchange will issue separate circular regarding such cancellation.

Members subscribed to **EMDI** and/or **EOBI** market data are requested to subscribe to all streams**.** Stream changes will be reflected in Stream Master kept on SFTP https://sftp.mcxindia.com/ path: /Common/Contract Master. There are no changes in MDI and ETI API.

Members are requested to take note of the same.
