

CENTRAL KYC RECORDS REGISTRY

CKYC/2026/02

Date: January 07, 2026

To: All entities registered with Central KYC Records Registry (CKYCRR)

Dear Sir / Madam,

Sub: CKYCRR SFTP configuration change

This is regarding the change in the key exchange hash algorithm used for data transfer to CKYCRR through SFTP.

To enhance security during data transfer through SFTP, we shall be changing the key exchange hash algorithm from Diffie-Hellman-Group 14-SHA-1 to Diffie-Hellman-Group14-SHA-2.

Kindly note the configuration change will be implemented in the test environment on January 09, 2026, post 8pm. The go live date will be published shortly.

Registered entities are requested to take note of the above and prepare their systems for the same.

For and on behalf of **Central KYC Records Registry**
