### CDSL INVESTOR MOBILE APPLICATION- MYEASI

Depository participants are advised to note that, to enhance investor awareness, improve transparency, and provide easier access to securities-holding information, CDSL in coordination with SEBI has upgraded its investor mobile application.

The enhanced app now offers investors a consolidated, comprehensive, and user-friendly view of their securities market holdings, facilitating a more seamless and informed investor experience. It may be noted that Phase I of the investor mobile applications has been rolled out with, inter alia, the following key features:

- Consolidated view of securities holdings of investors across both Depositories, thereby eliminating the need for multiple logins
- Access to transaction statements and holding statements at a single place, facilitating improved portfolio management
- Monitoring open positions and margin details across Stock Exchanges and Clearing Corporations
- Facility to exercise e-voting on company resolutions
- Access to recommendations of proxy advisers on resolutions

This enhanced CDSL investor mobile app are designed to empower investors by providing them with convenient, secure, and real-time access to their securities holdings and related information. The upgraded digital interface enables investors to easily view, monitor, and track their portfolios within a trusted and seamless environment.

The new unified features of the CDSL investor application are now accessible through the 'MyEasi' mobile application as well as the CDSL web platform 'Easi/Easiest'. Investors can download the CDSL MyEasi app from the Google Play Store (for Android devices) or the Apple App Store (for iOS devices) by searching for "CDSL MyEasi App." For web-based access, investors can visit the following link: [EasiEasiest](#)

As per SEBI's directive, DPs are requested to promote CDSL's investor mobile apps to increase awareness and encourage more investors to use the benefits of these digital platforms. Accordingly, DPs are hereby advised to undertake the following actions:

1. Display and prominently publicise information related to the CDSL investor mobile

- application on their websites, mobile applications, and all other investor-facing digital platforms.
2. Inform and educate investors about the key features, functionalities, and benefits of the CDSL investor mobile application through appropriate communication channels, including but not limited to emails, SMS alerts, in-app notifications, and other investor communications.
  3. Encourage investors to download and actively use the CDSL investor mobile application for accessing consolidated information pertaining to their securities holdings in a convenient and secure manner.

Depository Participants are requested to take necessary steps to ensure full compliance with the above instructions and to establish appropriate mechanisms for the effective dissemination of information to investors.

This communication is issued in the interest of investors and is intended for their information and necessary action.
