Subject: Addendum to OC 230 Implementation of Switching Fee Rebate for UPI URCS Back-Office System

Reference may be taken from NPCI/UPI/OC No. 230/2025–2026 dated 06th January 2026, wherein it was communicated that we will be implementing the automated process for reversing the switching fee rebate for UPI transactions in URCS with effect from February 01, 2026.

Considering feedback received from member banks, it has been decided to revise the implementation timeline for the above functionality. Accordingly, the daily switching fee rebate functionality in URCS shall now go live with effect from **May 01, 2026**.

Member banks are hereby advised to make necessary changes and ensure all relevant systems are updated to incorporate these changes prior to the go-live date. The information herein may please be disseminated to all the officials concerned.

Note: Except the revision of go-live date all other rules mentioned in the OC vide ref no. NPCI/UPI/OC No. 230/2025–2026 dated 06th January 2026 will remain unchanged.

Yours faithfully,
