Changes to IU FEE Structure

Attention: All Users

NeSL intimates changes in select components of the fee structure for various services **effective 1st June and others from 1st September**. It may be noted that there is **no** increase in fees for any of our services. A fee is being introduced for certain one-time services which were earlier not provided in the fee structure (item nos 1 and 3 below) while the other items are in relation to new services being launched by NeSL.

The following table provides key changes proposed under the revised structure: -
