

**CENTRAL KYC RECORDS REGISTRY****CKYC/NOTIF/2026/01****Date: June 05, 2026****To: All entities registered with Central KYC Records Registry (CKYCRR)****Dear Sir / Madam,****Sub: CKYCRR 2.0 API integration & Reporting entity onboarding guide**

CERSAI is planning to launch CKYCRR 2.0 tentatively in July, 2026. Sandbox environment is created to be consumed by reporting entities (REs). Associated API document is finalized by CERSAI which provides comprehensive technical and operational guidance for REs to integrate with the CKYCRR 2.0 platform. It covers:

- Complete onboarding procedures
- API security implementation
- Technical specifications for all available APIs
- Testing and certification requirements
- Production deployment guidelines

All REs are requested to consume the API sandbox environment as per the API documentation.

Link for sandbox environment is mentioned below in the table. API document named <API document for CKYCRR 2.0> is uploaded in the downloads section of our website for CKYCRR - <https://www.ckycindia.in/>
