
NCDEX Limited *(Formerly Known as National Commodity & Derivatives Exchange Limited)*

Circular to all trading and clearing members of the Exchange

Circular No. : NCDEX/MEMBER INSPECTION-026/2026

Date : October 01, 2026

Subject : Reporting for Artificial Intelligence (AI) and Machine Learning (ML) applications and systems offered and used by market intermediaries.

This is with reference to the Exchange Circulars NCDEX/COMPLIANCE-001/2019 dated January 07, 2019 issued on 'Reporting for Artificial Intelligence (AI) and Machine Learning (ML) applications and systems offered and used by market intermediaries' and NCDEX/COMPLIANCE-140/2023 dated December 13, 2023 issued on 'Change in submission timeline for reporting of Artificial Intelligence (AI) and Machine Learning (ML) applications and systems offered and used by market intermediaries.'

All the active Trading Members using Algorithm software (i.e. those who have executed even a single trade during the half year period – April 2026 to September 2026) are required to submit Artificial Intelligence (AI) and Machine Learning (ML) applications and systems details as on September 30, 2026, to the Exchange latest by October 15, 2026.

Please refer to Exchange Circular NCDEX/COMPLIANCE - 039/2025 dated July 18, 2025, which clarifies that trading members who are also registered with the National Stock Exchange of India Ltd. (NSE) are required to submit their AIML details exclusively to NSE. Such members are not required to submit the same information separately to NCDEX. However, trading members who are not registered with NSE must continue to submit their AIML details to NCDEX as per the existing process.

The details are to be submitted through NCFE portal of the Exchange in below mentioned module:

Compliance → AI/ML

Further, members are requested to note the following with respect to submission of AI and ML details:

1. A separate form is required to be submitted for each of the AI / ML applications and system in case of multiple AI / ML applications and systems are deployed.
2. The guidelines for referred submission are detailed in Annexure-1 and FAQs for the same are given in Annexure-2.

3. It is hereby notified that the referred link will be activated on October 01, 2026, and will remain open for next 15 days only. Members are, therefore, requested to submit details on or before due date, i.e. **October 15, 2026**.

Members are advised to ensure compliance with the above requirements.

For and on behalf of
NCDEX Limited

Pranesh Shetty
Senior Vice President – Inspection & Enforcement

-

Annexure 1

Guidelines for submission

- A. Login to NCFE
- B. Go to menu Compliance ->AI/ML
- C. Fill in basic membership details and verify email id (based on OTP that will be received on the email id filed)
- D. Once email id is verified, submit the AI/ML application/system details on the screen directly against each head and click on “Submit” button.
- E. Repeat the process in case of multiple AI/ML applications/systems used.
- F. All fields are mandatory. Data once submitted cannot be edited again. Please check the details before finally submitting the data.

Annexure 2

FAQs for submission

Q1. What is the due date for the Submissions under AI/ML?

Ans. Due date for the submission is 15 calendar days from the end of the reporting period i.e. half year/annual.

Q2. Which application/system are considered as AI/ML technologies?

Ans. Refer Annexure B of the Exchange Circular no. NCDEX/COMPLIANCE-001/2019 dated January 07, 2019.

Q3. We do not use AI/ML applications/systems. Do we need to submit the details?

Ans. Yes, you will have to inform the same to Exchange by selecting “No” as your answer to the question “Do you use any AI or ML in any area/software/application”.

Q4. We use multiple applications/systems with AI/ML technology. How do we submit the details using a single form?

Ans. You will have to make multiple submissions. The details of only one software/system/application can be submitted through the screen at one time.

Q5. We do only pro trading. Do we need to submit the details?

Ans. Yes.
