NOTIFICATION
Jaipur, October 08, 2026

S.O.61 :- In exercise of the powers conferred by sub-section (1) and clause (e) of sub-section (2) of section 53 of the Legal Metrology Act, 2009 (Central Act No. 1 of 2010), the State Government, in consultation with the Central Government, hereby proposes to make the following rules for carrying out the provisions of the Act. The draft rules are hereby published as required by sub-section (4) of section 53 of the said Act for information of all persons likely to be affected thereby and notice is hereby given to them that the said draft rules would be taken into consideration after the expiry of a period of seven days from the date on which the copies of the Official Gazette, in which the draft rules is published, are made available to the public;

Any objection or suggestion which may be received from any person with respect to the said draft rules within the period as specified above shall be considered by the State Government;

Objections and suggestions, if any, may be addressed to the Secretary, Department of Consumer Affairs, Government of Rajasthan (email: secy-food-rj@nic.in), Secretariat, Jaipur, Rajasthan-302005.

Draft Rules
CHAPTER-I
PRELIMINARY

1. Short title and commencement.-(1) These rules may be called the Rajasthan Legal Metrology (Government Approved Test Centre) (Draft) Rules, 2026.

(2) They shall come into force on the date of their final publication in the Official Gazette.

2. Definitions.-(1) In these rules, unless the context otherwise requires,-

- (a) "Act" means the Legal Metrology Act, 2009 (Central Act No. 1 of 2010);
- (b) "Appellate Authority" means the Secretary to the Government In-charge of Department of Consumer Affairs, Government of Rajasthan;
- (c) "Centre" means a Government Approved Test Centre notified by the State Government under sub-section (3) of section 24 of the Act and approved under these rules to undertake verification and stamping of such weight or measure as may be specified in its certificate of approval;
- (d) "Competent Authority" means the Controller, Legal Metrology, Government of Rajasthan;

- (e) “Principal Officer” means the officer who is In-charge of the Government Approved Test Centre; and
- (f) “Schedule” means a Schedule appended to these rules.
- (2) Word and expressions used herein and not defined in these rules but defined in the Act shall have the same meanings respectively assigned to them in the Act.

CHAPTER-II

Approval of Centre

3. Approval of Centre.- (1) Any person desirous to obtain a certificate of approval under these rules for carrying out verification of the weights or measures specified in Schedule-I shall submit an application to the Controller in format specified in Schedule-II along with proof of payment of rupees ten thousand.

(2) The application shall be made only by the Principal Officer of the said centre:

Provided that no Principal Officer shall be eligible to obtain or hold approval in respect of more than one Centre.

(3) Any Government company, corporation, statutory body or other Government-owned or Government-controlled entity, may apply, through its Principal Officer or Principal Officers, for approval of one or more Centre, as the case may be, subject to such number, location and other conditions as may be specified by the State Government and subject to fulfillment of the requirements prescribed under the Act and the rules made thereunder.

(4) The qualification of the Principal Officer and technical employees of the Centre shall be equivalent to the qualification as specified in the Legal Metrology (General) Rules, 2011 for a Legal Metrology Officer.

(5) The Principal Officer and other technical employees of Centre shall successfully complete the basic training course conducted for Principal Officers and employees of Government Approved Test Centres at the Indian Institute of Legal Metrology, Ranchi, before undertaking the verification of any weight or measure.

(6) The Principal Officer of the Centre shall have working experience of at least three years in the field of legal metrology.

(7) While granting approval to a Centre, the Controller shall consider the following:-

- (a) availability and accessibility of land and building;
- (b) adequacy of weighing or measuring equipment, testing facilities and other infrastructure;
- (c) availability of technically qualified manpower;
- (d) qualification and experience of Principal Officer and other employees of the test centre;
- (e) capacity for efficient and timely service to customers; and
- (f) any other factor, which in the opinion of Controller will affect proper functioning of Centre;

(8) The Controller or Legal Metrology Officer authorized by him in this behalf shall inspect the premises of the centre prior to grant approval.

(9) The competent authority may, after satisfying that the Centre fulfills the prescribed requirements, grant approval initially for a period of one year, and thereafter such approval may be renewed for a period not exceeding five years at a time, subject to the

satisfactory functioning of the Centre and in accordance with such criteria and procedure as may be specified by the State Government.

(10) A certificate of approval shall be issued by the Competent Authority after deposit of a fee of rupees three lakh for each weight or measure in format specified in Schedule-III.

(11) The Controller shall assign a specific code number to each Centre for the purposes of identification and maintenance of records. Such code number shall consist of the legend 'RJ' followed by a number or an alphanumeric combination, as may be specified by the Controller.

(12) A fee of rupees one lakh per year, in respect of each weight or measure, shall be payable by the Centre for renewal of its approval, in such manner and such time as the State Government may specify.

(13) In case of non-fulfilling of eligibility conditions and requirements specified under these rules, the Competent Authority shall, by order, reject the application and communicate such order to the applicant.

(14) Any person aggrieved by an order made under sub-rule (13) may, within thirty days from the date of such order, prefer an appeal in format specified in Schedule-VII to the Appellate Authority along with proof of payment of fee of rupees five hundred.

(15) The certificate of approval issued or renewed under these rules shall neither be salable, nor transferable.

CHAPTER-III

General provisions relating to Centre

4. General provisions relating to Centre.- (1) A Centre approved under these rules shall carry out verification of weights or measures for which certificate of approval granted to it and verification of weights or measures shall be made in accordance to the specifications and test procedures given in the Legal Metrology (General) Rules, 2011 or on the recommendations of International Organization of Legal Metrology as advised by Director, Legal Metrology, from time to time, as the case may be.

(2) Every Centre shall maintain the requisite Working Standards as specified in the Legal Metrology (General) Rules, 2011 and other instruments and equipment as specified by the Controller, from time to time.

(3) Every Centre shall get periodically verified from the Secondary Standard Laboratory, the Working Standards and other equipment being maintained by it.

(4) A Centre may engage one or more repairers registered under the Rajasthan Legal Metrology (Enforcement) Rules, 2011, for carrying out repair of weight and measures, subject to the provisions of the Act and the rules made thereunder.

(5) The Centre shall intimate to the Controller the name, registration number and other prescribed particulars of every such registered repairer engaged by it and shall also intimate any changes therein, within such period as may be specified by the Controller, from time to time.

(6) Every Centre shall obtain and maintain a valid third party liability insurance sufficient to cover any claim for damage due to any lapses or violation of government instructions by the Centre:

Provided that no Centre shall undertake any verification during any period in which the required insurance coverage is not valid or remains in force.

(7) The area of operation of a Government Approved Test Centre shall be such as may be specified in the certificate of approval.

(8) Subject to the provisions of sub-rule (7), the Centre shall undertake verification of weights or measures either at its authorized premises, at the authorized premises of manufacturer or dealer of weight or measure, or at the premises of the user, within the area of operation specified in the certificate of approval:

Provided that a Centre may, with the prior approval of the Controller, undertake verification and stamping of weights and measures at locations other than its approved premises but within its area of operation, through one or more mobile facilities equipped with the prescribed equipment and qualified manpower, subject to such conditions and restrictions as may be specified by the Controller.

Provided further that the State Government may, having regard to the requirements of any district and such other factors as it may consider necessary, **determine the maximum number of Centres that may be approved in each district in respect of each weight or measure.**

(9) The list of approved Centres along with their area of operation and validity of their certificates of approval shall be notified by the Controller, from time to time.

(10) The weights and measures specified in the Schedule-I may be verified by a Centre:

Provided that where a Centre is owned or operated by a person holding a valid registration certificate for the manufacture of weight or measure, such Centre shall not undertake the verification or stamping of any weight or measure manufactured by such person.

(11) The Principal Officer of the Centre shall, while carrying out verification of weights and measures, follow the procedure prescribed under the Legal Metrology (General) Rules, 2011 or, where applicable, the recommendations of International Organization of Legal Metrology.

(12) Where, upon verification, a weight or measure is found to conform to the standards established under the Act and the rules made thereunder, the Centre shall, upon completion of verification and stamping, issue a certificate of verification in the format specified in Schedule-IV:

Provided that where such weight or measure does not conform to the standards established under the Act and the rules made thereunder, the Centre shall issue a certificate of rejection mentioning the reasons of rejection in the format specified in Schedule-V.

(13) The Centre shall issue a certificate of verification or rejection, as the case may be, in respect of each weight or measure separately.

(14) The weights and measures received for verification and stamping shall be returned by the Centre, within fifteen days from the date of receipt thereof, after due verification or for necessary repair.

(15) The State Government may designate, establish or adopt an electronic portal for the implementation and administration of these rules, including for the submission and processing of applications, verification of weights and measures, renewal of approvals, payment of fees, issuance of approvals and certificates, maintenance of records, and such other matters as may be specified by the State Government.

5. Mark of verification or stamp.-(1) The Centre shall, after carrying out the metrological evaluation of a weight or measure and satisfying itself that such weight or measure conforms to specification laid down under the Act and rules made thereunder, stamp such weight or measure with a stamp of uniform design bearing the specific number assigned by the Controller to that Centre:

Provided that all components, parts or points of such weight or measure which are susceptible for fraudulent manipulation shall, wherever applicable, be securely sealed.

Provided further that where, by reason of the size or nature of any weight or measure, it is not desirable or practicable to put a stamp thereon, the Principal Officer shall take such action as may be directed by the Controller.

(2) The verification mark or stamp shall contain the following particulars; namely:-

- (i) The legend "RJ" and the code number assigned to the Centre in the upper half of semi-circle; and
- (ii) Code letter for the quarter of the year as specified in the Rajasthan Legal Metrology (Enforcement) Rules, 2011 and two digits for the year of verification in the lower half of semi-circle.

6. Duties of Principal Officer.-(1) The Principal Officer of the Centre shall,-

- (i) establish and operate the Centre as an independent unit;
- (ii) ensure that the staff of the Centre carry out their duties independently under his guidance and supervision;
- (iii) inform the Controller of cessation of operation of Centre;
- (iv) maintain the accuracy of testing equipment in accordance with the rules and directions issued by the State Government or Central Government, from time to time;
- (v) maintain proper record of testing carried out and certificates issued by the Centre;
- (vi) record and redress the grievances of customers in appropriate manner;
- (vii) comply with the directions issued by the Controller, from time to time;
- (viii) ensure that only such weights or measures as conform to the prescribed specifications are stamped;
- (ix) not verify any non-standard weight or measure;
- (x) ensure that verification stamps are adequately protected against fraudulent use;
- (xi) ensure that the weights and measures received for verification and stamping are returned by the Centre after due verification or with certificate of rejection, within fifteen days;
- (xii) get the Working Standards and other equipment, as the case may be, periodically verified by the Secondary Standard Laboratory; and
- (xiii) ensure that the provisions of the Act and the rules made thereunder are being complied by the Centre.

(2) The Principal Officer responsible for the Centre shall be liable to the Government for any loss or damage or legal claims arising from negligence, misconduct or violation of the provisions of the Act or the rules made thereunder by the Centre.

7. Inspection.-(1) The Controller or any Legal Metrology Officer authorized by him may, at any time, with or without prior notice, inspect the Centre, as may be necessary to ascertain compliance with the provisions of the Act and the rules made thereunder.

(2) The Controller or a Legal Metrology Officer authorized by him shall conduct, or cause to be conducted, a compulsory inspection of every Centre at least once in every calendar year.

(3) The Principal Officer shall permit such inspection and render all necessary assistance for the purpose including the production of records with regard to verification of weights and measures.

(4) All the expenses including transportation and accommodation, as per the entitlement of the officer(s) and in providing the facility and co-operation for the assessment or re-assessment or compulsory yearly inspection of Centre shall be borne by the Principal Officer.

8. Suspension or revocation of certificate of approval.- (1) A Certificate of approval granted to any Centre may be suspended by Competent Authority, where such Centre fails to comply with any of the provisions of the Act or the rules made thereunder:

Provided that the suspension shall not be revoked unless the omission or failure for which such suspension was made, has been complied and the sum for compounding the offence has been deposited with the Government.

(2) The certificate of approval granted to a Centre may be revoked by the Competent Authority, where the Competent Authority is satisfied that,-

- (a) such Centre no longer complies with the provisions of the Act or the rules made thereunder; or
- (b) such Centre has repeatedly failed to comply with the directions issued by the Controller, from time to time; or
- (c) the circumstances are such that the Centre cannot reasonably be expected to function properly as a Centre:

Provided that no certificate of approval shall be revoked except after giving the Centre an opportunity of being heard.

(3) Where the certificate of approval granted to a Centre has been suspended or revoked, such Centre shall immediately cease to carry out any verification of weights or measures and any weights or measures in its possession shall be dealt with in such manner as may be specified by the Controller:

Provided that where, upon inspection, it is found that any such weight or measure has been verified by such Centre, the Controller may, by order, prohibit the use of such weight or measure and initiate other appropriate penal action.

Provided further that any verification carried out by the Centre during the period of suspension or after revocation shall not be valid for the purposes of the Act and the rule made thereunder.

(4) Every order of suspension or revocation of certificate of approval shall be duly notified.

(5) Any person aggrieved by an order of the Controller revoking the certificate of approval of a Centre may, within thirty days from the date of such order, prefer an appeal in the format specified in Schedule-VII along with proof of payment of a fee of rupees five hundred to the Appellate Authority.

(6) Nothing contained in this rule shall prevent the Controller or a Legal Metrology Officer from taking any action in accordance with the provisions of the Act and the rules made thereunder, notwithstanding the suspension or revocation of the certificate of approval of a Centre.

9. Fee for verification or re-verification.-(1) The fee payable for verification or re-verification of weights or measures undertaken by a Centre shall be as specified in Schedule-VI:

Provided that, in respect of such weights or measures for which the fee is not specified in these rules but is specified in the Legal Metrology (Government Approved Test Centre) Rules, 2013, the fee shall be such as is specified in the said rules of 2013.

(2) Any weight or measure rejected on verification shall be returned to the user for necessary repair and, after repair, the weight or measure may be accepted for verification on payment of verification fee afresh:

Provided that where such weight or measure is presented for re-verification within seven days from the date of rejection, no verification fee shall be payable afresh.

(3) If, at the request of the user of a weight or measure, verification is done at any premises other than the premises of Centre, no additional fee shall be charged.

(4) If a weight or measure is presented to the Centre for re-verification after expiry of the validity of the stamp, an additional fee at half the rates specified in Schedule-VI shall be payable for every quarter of the year or part thereof.

10. Sharing of fee.-(1) The verification or re-verification fee collected under rule 9 shall be shared between the State Government and the Centre in the ratio of 25:75, respectively, in such manner and within such time as the State Government may specify.

(2) The additional fee collected under sub-rule (4) of rule 9 shall accrue entirely to the State Government and shall not form part of the amount shared with the Centre.

11. Compounding the offences.- Where a Centre is found to have contravened any provision of the Act or the rules made thereunder, the offence may be compounded on payment of the compounding fee specified in Schedule-XI of the Rajasthan Legal Metrology (Enforcement) Rules, 2011.
