This is with reference to the submission of details pertaining to Associate/Subsidiary Entities under the Risk Based Supervision (RBS) framework.

Based on the representations received from Brokers Industry Standard Forum ("ISF") and in consultation with SEBI, it was decided that the certain information/details under the Risk Based Supervision (RBS) shall be sourced by Exchanges internally and/or through other submissions by members to Exchanges. It was also decided that the details pertaining to Associate/Subsidiary will be taken as a separate submission.

In this regard, all Trading Members are requested to submit the details of their Associate/Subsidiary Entities on a half-yearly basis. Trading Members are required to submit the details of their Associate/Subsidiary Entities for the half-year ended March 31, 2026, **on or before November 15, 2026**.

For facilitating the submission of said information, the Exchange has developed an online module on BEFS Portal. The path for online submission of the details pertaining to Associate/Subsidiary Entities is given below.

Path: BEFS Portal → Capturing Member Details → Member Details → Associate/Group Company details → **Associate/Subsidiary/Group Company**.

Further, Trading Members are also required to notify the Exchange of any changes in the details of their Associate/Subsidiary Entities, including additions, deletions, or modifications, as and when such changes occur within 30 calendar days of the said changes.

Further, as per technology-based sharing mechanisms of common submissions among Exchanges, Trading Members of BSE who are also registered with NSE are required to submit details of Associate/Subsidiary to NSE only. Exclusive BSE members will continue to make submissions to BSE in above BEFS portal path.

The process manual for submission of details pertaining to Associate/Subsidiary Entities through the BEFS portal is provided in **Annexure-A**.
