Circular No: MSE/TRD/11829/2022	Date : May 16, 2022

Subject: New version release of Trading Software (11.6.18) and revised API

This is with reference to Exchange circular no. MSE/CTCL/11721/2022 dated April 13, 2022 and circular no. MSE/CTCL/11757/2022 dated April 25, 2022 regarding changes related to Password Length and encryption in the Trading Software and corresponding changes in API for FIX / Non-FIX CTCL users.

As a part of our continuous endeavour to provide secure and robust trading platform to the market participants, the Exchange would be implementing minimum password length of 8 characters instead of current minimum password length of 6 characters. The maximum password length would also be increased from 8 characters to 10 characters. The default password will be ecm.1234 for login.

In order to incorporate the above mentioned changes, Exchange will be implementing new version of trading software, Member Terminals (MSE Member Admin Terminal 11.6.18 and MSE Trader Workstation 11.6.18) and API with effect from Monday, May 23, 2022. The new versions will be available for downloading from Friday, May 20, 2022 after market hours.

The new version of Members Terminals should be installed only after end of market hours on Friday, May 20, 2022 after completion of all daily activities like taking the online back-up, trade report, etc for the day.

Members may please note that this is a compulsory download release for trading software and are once again requested to install the new version to ensure uninterrupted trading from Monday, May 23, 2022.

The new version can be downloaded from COMMON\SETUP\Version 11.6.18 folder available on SFTP (Extranet) Server using address <https://192.168.125.209> for downloading through Lease Line and <https://sftp.msei.in> for downloading through Internet to the members system.

- Procedures for downloading and installation of new trading software are specified in Annexure I.
- The new API document for FIX and Non-FIX are annexed as Annexure II and Annexure III.
- The participants using API solutions for connecting to the Exchange system are advised to make the necessary changes in their software before May 23, 2022 as per the revised API.

For any clarifications, contact Customer Service on 022-61129010 or send email to customerservice@msei.in.
